

Please return audiobooks, videos, DVDS, compact discs, video games, and computer software inside the library. Do **not** leave these materials in the outside book drop. Items become overdue at closing time on their due date. Every day at closing time all items not returned but due that day are considered overdue. If the item is put in the book drop after the library has closed for the day the item will not be checked in until the next day making the item one day late. Fines do not accumulate when the library is closed for an entire day (Sundays, holidays, etc.).
